That's our aim with the new media platforms – to reach out to a much broader audience.

This isn't replacing Rotary Down Under, it's just delivering it in a different way. You are not being asked to pay twice - \$39 per annum (AUD/NZD). Less than what you pay now.

District 9940 News – Wellington North Rotary:

It's a proud moment for us Rotarians when a Student who has received a scholarship at our club goes forth to excel in more ways than one. Even prouder when that association results in her parent becoming a Rotarian too. Congratulations **Lily Haldane** who has been selected to attend the prestigious Future Global Citizenship Leaders Programme in Chile this July! Over two weeks, she'll join other emerging leaders to explore the global and regional challenges facing the Pacific Rim. We're so proud of Lily's achievements and can't wait to see the impact she'll make on the world!

News that affects 1.2M Rotarians

Mário César Martins de Camargo, a member of the Rotary Club of Santo André, São Paulo, Brazil, has notified Rotary International that he will resign from the role of president-elect and will not serve as president. In a letter to RI President Stephanie A. Urchick on 8 June, he said that personal reasons and business obligations prompted his decision. In a later message, de Camargo indicated that he will continue to be an active Rotary member and to serve his community.

Perhaps it's a good time to reflect on the personal sacrifices that our club presidents, District Governors and all who help keep the Rotary wheel turning do make.
