Please help: -

Ryda (*formerly known as Rotary Youth Driver Awareness*)

By organising and marshalling the students, Rotary volunteers are an essential part of these days.

Ryda features a highly engaging and memorable one-day workshop which front-loads students' understanding of road safety and gives them the tools, habits and motivation to take action and stay safe on our roads as both drivers and passengers throughout their lives.

The workshop sessions are designed to be held in small classroom sized groups (approximately 25 students) and are led by a team of trained facilitators including Police, driving instructors and other community sector specialists.

Volunteers required for one day Monday 16th through to Friday 20th

9am to 3pm morning tea and lunch provided –

a fun, interesting day with other Rotarians - *contact David H - Ph/txt 0274 370 670*

Starlight Joy
