16th July Dinner Meeting

Guest Speaker: **Ellen Ma**: Neuroscience & Audiology

From the District Changeover

- The district welcomed 61 new members this year.
- 50% of clubs did not loose any members at all
- The district would like to see Rotary Youth Exchange return but recognises finding host families is a challenge
- A motivated, community-minded, leader is now required for the position of DG Nominee
- Len from Waitara Rotary showed the “shelterbags” for community rough sleepers that they are importing at \$120 each
- New DG **Carol** asked for “Rotary **not** to be the world’s best keep secret”. So use flags and banners at every event and hand out contact detail on cards wherever possible.

Polio Plus:

- Our district this year donated \$5468 to END POLIO
- We have 34 clubs of which 6 donated
- The previous year \$13,168 was donated
- Please consider raising and donating funds

Parting thoughts from DG Carol:

“have fun and attract new members”
