Wed 26th March the Te Kura O Wairau trip to Silky Otter cinema with ice-cream + popcorn is all go – as a reward for pupils’ attendance.

Thanks to Marilyn for organising and to Raewyn for lining up these amazing speakers to address them on the value of education:

- [Dame Farah Palmer](#) – World Cup winning Black Ferns captain 1996/2002/2006,
- And [Jason Tahī](#) (click to read his life story) Jason is in the top 100 crossfit participants and can deadlift 200kg (that should impress the kids)

Footnote: latest national stats show only 51% of pupils achieve the NZ goal of 90% attendance. Great that we are doing something to help this problem.

We were so pleased to visit Manakau School and pass on the fabulous books donated and signed by each of our speakers at our recent RYLA Youth Leadership course at Forest Lakes in Otaki.

Thanks so much to our amazing speakers who helped make this year’s course so amazing for the young leaders who attended! And much appreciation to Books & Co. in Otaki for selecting such great books.

If you would like to learn more about the RYLA youth leadership course for next year or about some of Kapiti Rotary’s other projects in your community, please get in touch!
