Dinner meeting

Congratulations to **Trevor** – Raewyn presented him with an engraved plaque to commemorate his 50 years of continuous service to our club! Trevor has filled many roles in the club – bulletin editor, wine distributor, firewood fundraiser, host of an exchange student, worker at the Brown House, he and Ruth have always been ready to help.

Bob gave an inspiring talk about finding your niche in Rotary and challenged club members to find what motivates us. The key to Rotary he said is to bring your talents to help others. Personally he has enjoyed contributing to 3 areas – PolioPlus fundraising, collection of over 5000 pairs of glasses for re-use in the Pacific and the Rotary Peace Forum where he has chaired forums and written articles.

Don wondered how much we knew about the city we lived in, raising \$56 in the process.

Raewyn led a discussion in reply to DG Jocelyn’s proposal for clubs to have a “Day of Service” in March. This will replace the District Convention.

- Ideas were to involve Takaro school
- Taking children to the movies
- Something in The Plaza
- Ask the school for suggestions
- Something they wouldn’t normally do
- Ask MASH or rest homes re outings
- Work in with other Rotary clubs

more discussion of this and the future of Bunnings BBQ’s at the Projects Fireside on Wednesday
