don't forget to then **Submit**.

Alternatively Txt to Don 027 222 8776

Always before 3pm Monday

News from your trust – The Rotary Club of Terrace End Memorial Trust:

The trust has just completed a **record year** of giving with grants to young people to enable them to participate in life-changing experiences:

- Four have been on Outward Bound courses and one on the Spirit of Adventure.
- Competing in the World Junior Squash Championships in Egypt
- Competing in Tri-Nations Indoor Netball in South Africa
- Two participated in the Science & Technology Forum
- Able to join the Manawatu Netball age-group training squad
- A year 8 end of year school activities programme
- A team chosen to go to Sydney for an academic competition focusing on collaborative problem solving

A comprehensive report has been received regarding the latest Outward Bound participants. Some highlights are:

"They can be proud of themselves, and Manawatu will be an amazing place to visit in 5-10 years once they've had the opportunity to grow into the splendid humans that they already are."

"I would like to say to you more than thanks. No words can describe the experiences and memories I have gotten from this course and how valuable it has been for me."

In the results of an evaluation at the end of the course, 80% said:

"they had the motivation to give back and were leaving a better person"
